

TIMSS and PIRLS Sampling Form 2

Sampling Form 2

Coverage and Exclusions

Participant:	<Name of the Country>	NRC:	<Name of the NRC>
--------------	-----------------------	------	-------------------

This Sampling Form refers to:

TIMSS Grade(s) <input type="text" value="4"/>	PIRLS Grade(s) <input type="text"/>	prePIRLS Grade(s) <input type="text"/>
--	--	---

Total enrollment in the target grade (number of students) [a]

1. Reduced coverage and school-level exclusions:

Description of reduced coverage and exclusions	# of students
<i>Students taught in <language></i>	630
<i>Special education schools</i>	325
<i>Very small schools (4 or less students in the target grade)</i>	110
TOTAL	1 065

Percentage of reduced coverage and school-level exclusions:
 $\text{box [b]} \div \text{box [a]} \times 100$ %

2. Total enrollment after reduced coverage and exclusions:
 $\text{box [a]} - \text{box [b]}$ [b]

3. Within-school exclusions:

Description of exclusions	Expected # of students
<i>Students with special educational needs (estimate based on TIMSS 2007)</i>	640
TOTAL	640 [c]

Expected percentage of within-school exclusions:
 $\text{box [c]} \div \text{box [a]} \times 100$ %

4. Expected percentage of reduced coverage and exclusions:
 $(\text{box [b]} + \text{box [c]}) \div \text{box [a]} \times 100$ %

5. If available: Total enrollment in the target grade in preceding school years

Year	# of students
2007/2008	58451
2006/2007	61489
